ABSTRACT

Diah Ayu Setiani, *The Use of Quizizz Appication In Online Learning Improve The Students' Vocabulary Mastery at UPTD SMP Negeri 6 Parepare, Supervised by Khadijah Maming Badaruddin*

The purpose of this study is Quizizz can improve the results of vocabulary mastery used the Quizizz application for class IX students of SMP Negeri 6 Parepare. The research design used was the researcher applied the control class and the experimental class "pre-test and post-test design" using random sampling consisting of 22 experimental class students and 23 control class students.

This research is motivated by students' problems regarding English lessons, especially in vocabulary. one of the factors that make students' scores low is that firstly they have not studied specifically about vocabulary, secondly the time is not too optimal to use vocabulary, thirdly they lack practice for vocabulary in the form of interesting media. In this study, researchers applied Quizizz which is one of the media of interest to increase the vocabulary of class IX students UPTD SMP Negeri 6 Parepare for the academic year 2021-2022.

The results showed that the use of Quizizz as a medium in teaching vocabulary mastery of class IX students UPTD SMP Negeri 6 Parepare had a significant effect on increasing students' vocabulary mastery. The results showed the difference in the mean score of students in the experimental class was 81.68 while the control class was 77.21. The vocabulary ability of students who use Quizizz has increased compared to the average score of students who use Control.
