Lampiran Materi

Materi pertama

Lusia

Lusia is my classmate. She is very beautiful and friendly. Her hair is as long as her shoulder. She is very energetic. She is very active in school and takes some extracurricular subjects. One of them is

dancing.

She has been practicing dance since she was six year old. She can dance both traditional and modern dances, but she prefers traditional dances to modern ones. Her favorite dance is pakarena dance. It is from Makasaar.

Every time she performs the dance on the stage. She always gives her best performance to her audience. So they really enjoy her dance.

So far, she has appeared many times in formal ceremonies so she is very famous in our school. She often performs abroad as a member of Indonesian cultural delegations. Someday, she dreams to become a well-known dancer and if she has enough money, she will own a dancing company.

Materi kedua

My Family

I live with my little family. My family is my best friend that I have ever known. I am grateful to have a family like them. My family has four members. Those are me, my little sister, and my parents of course.

My mother is 47 years old. Her name's Meliana. She has oval face with beautiful brown eyes and sharp nose. Her hair is black, short and curly. She is still slim because she always tries to stay in shape. She is very good-looking, always well-dressed, and elegant.

Meanwhile, my father, Heriyan is 2 older than my mother. He is 49 years old. In spite of his age he has still black-haired, with several grey

hairs. He also has oval face, sharp nose, and black eyes. He is quite tall but a bit shorter than me. He is very hard-working. Beside that, he is working in a travel company. He can even make dinner when my mother is outside. His cooking and his meals are always very taste as well as my mothers.

Finally, my little sister, Bendina. She is 14 years old. She looks like my mother. She has long wavy hair, brown eyes, sharp nose, and oval face. She is definitely shorter than me. She is rather introverted. But she is very sensible, smart, and co-operative. Right now, she is studying at Junior High School in 8th grade. I want to be as smart as she is.

Me and my parents speak Sundanese very well, because we were living in Bandung for 5 years. I have been going to primary school there. Unfortunately, my sister was only 3 when we were living to Jakarta, so she can't speak Sundanese. Now we are happily living in Jakarta.

Materi ketiga

Disneyland

Disney character in a lavish ride straight through the heart of park. Now the rides! Once of the most popular rides at Disneyland is Space Mountain. It was relaunched bigger and better than before in July 2005 and is the ultimate high-speed interstellar roller coaster adventure. It includes state of the art special effect to enhance the experience of flying through other space.

One of the parks' newer rides is Monsters Inc. inspired by the

Disney Pixar Film, this three dimensional attraction includes over 100 characters in 16 distinct scenes some re-recorded by the original celebrity voices.

The name Pirates of the Caribbean conjures up images of the box office smash movie starring Johnny Depp as a Captain Jack Sparrow. What a lot of fans don't realize is that the movie was inspired by the Pirates of the Caribbean ride-one of the parks' top attraction.

Having updated the ride to reflect the movie, the attraction is so swashbuckling voyage that transports guests back to the days when pirates roamed the seas. More than 500 million people have experienced the rollicking fun of pirates since it first opened almost 39 years ago.

Disneyland truly is an once-in-a-lifetime experience although many visitors have been more than once. Such immense park full of a theme that has become a dream of everyone since kids

Materi keempat

Singapore

Singapore is an island city of about 4 million people. It's a beautiful city with lots of parks and open spaces. It's also a clean city.

Most of the people live in high-rise flats in different parts of the island. The business district is very modern with lots of tall new office buildings. Singapore also has some nice older sections. In Chinatown there are rows of old shop houses. The government buildings in Singapore are very beautiful and date from the colonial days.

Singapore is famous for its shops and restaurant. There are many good shopping centers. Most of the goods are duty free. Singapore's restaurant sell Chinese, Indian, Malay, and European food and the price are quite reasonable.

My Study Habit

I am very organized person. I always do these five magical Study tips. First, I have a place to study. It doesn't have to big. I use a corner of my bedroom for my study area. I have a desk,, a chair, a bookshelf, and a desk lamp there.

Second, I always keep everything organized. My desk is neat. I put the books away when I don't need them. Third, when I study, I review my lesson. I usually take notes on important points. Sometimes I make a mind map for my notes. Fourth, I also make flashcards to memorize new vocabulary I use colorful papers and a ring to make it.

Finally, I also have a study buddy to help each other. He is my classmate and he is good at studying too. I am happy with my study I sometimes give myself some rewards.
